

ANUGRAHA
PROJECT & ENGINEERING SERVICES - FZCO

WHO WE ARE

Incorporated in Dubai with regional offices in India and China, **ANUGRAHA PROJECT & ENGINEERING SERVICES FZCO** has a cross-cultural professional team with combined project experience of more than **100+ years**. Through our global capabilities, comprehensive professional services and extensive industry partnerships, **ANUGRAHA PROJECT & ENGINEERING SERVICES** is here to help align your **Engineering, Procurement and Construction** strategies to the business results you are striving to achieve.

SUPPLIER / PARTNER NETWORK

For Oil & Gas, Energy and Infrastructure Projects, we have a business mandate from an extensive network of equipment manufacturers from across the world to serve specific markets including those in **Africa, Middle East, China and India**. We represent some of the biggest names in the industry who bring quality products at competitive prices.
